Big headlines don't constitute news, though the "fake" papers appear to think so.

The "fake" papers are fast being measured at their true worth. The public can't be fooled all the time.

Of all the telegrams we have received none have been misleading up to date with the exception of the one we printed Monday reporting that a naval battle had taken place on the Atlantic, resulting in the DEFEAT OF THE AMERICANS. We are happy to state that there was no truth in it whatever, though in a CERTAIN QUARTER there seems to be GREAT DISAPPOINTMENT that such an engagement did not take place WITH THE RESULT STATED.—Evening Bulletin.

THE LEDGER begs its contemporary to explain its meaning. If there is any "certain quarter" in Maysville, or anywhere else in this country, where there would be "great disappointment" because the United States fleet was not defeated, it ought to be known—and the sooner the better. Please locate the "certain quarter" where these traitors can be found.

UNDER the caption, "Impudence of the Powers," The Times-Star says Washington keeps protesting that the foreign powers have not offered us any gratuitous advice and the foreign powers themselves lamely protest innocence. It is a galling cross-fire of impudence, however, that the American public has to undergo each day in the "inspired" newspapers of Germany, France and Austria. To these countries the United States appears as an overgrown, disjointed colony, in need of a stinging reprimand from such a picturesque defender of the Divine right of Kings as WILLIAM of Hohenzollern. France is but a Republic in name, as her attitude in the present struggle clearly shows. France has gone even farther than Germany in her evident hope of seeing America humiliated. There is reason to believe that France sent skilled gunners to Cuba in the Lafayette. If this suspicion should be verified this country will hold France strictly to account. The fact that France has the second Navy in the world will not deter us from denouncing her treachery and demanding reparation. When the war is over France may have as big an account to settle as England had after the Geneva conference.

As for Germany's interference in the Philippines and her boast that it was at the orders of the German Consul that DREYER desisted from bombarding Manila, it may be necessary to knock off the very persistent chip Prussia carries on her shoulder. Uncle Sam is slow to anger, but he has gone into this fight to win and his temper will not brook the meddling of any triple, quadruple or quintuple alliance.

We will do with the Philippines exactly as suits our convenience when

## THE BUYERS' GUIDE.

The Largest Shipment of

## Binder Twine!

That Ever Came to Northeastern Kentucky

was received Monday, Tuesday and Wednesday, May 9th, 10th and 11th, 1898, by JOHN I. WINTER, THE PRICE FIGHTER. There was 30,000,000 (thirty million) feet in the shipment, and every foot of it is the justly famous Deering Pure Sisal. Every one wants, demands and will have no other twine after once using Deering Pure Sisal. None of us are too old to learn. If your neighbors are using a better article than you are, surely you wish to know it. The demand for Deering Pure Sisal Twine has become so great that we were compelled to this year buy 30,000,000 feet to accommodate the wants of our customers. Now, listen: Every inch of this Twine is tested at a much higher tension than any binder requires in tying; while in other makes of twine only 100 feet out of every 50,000 feet is tested. Deering Pure Sisal Twine is made of extra long (first) strands of Pure Sisal Fiber, which permits of very fine spinning, thus producing more bundles to the pound than any other twine in the world. To make a long story short, I offer the following: Take out a lot of Deering Pure Sisal Binder Twine, try it, and if you don't find that it will bind an acre of wheat with less pounds than any other twine made, if you don't find that it is the strongest twine made, if it is not the best twine that you ever used, you will please return it and every cent of your money will be refunded. Surely, that's fair. You are to be your own judge. Say, I save you big money on twine. I bought my twine some time since when it was selling below the cost of production. Twine has advanced ever since. I am willing to give my friends and customers the advantage of my judicious purchase. I am selling twine today 14c. a pound less than the market price. In buying Binder Twine, Farm Wagons, Farm Implements, Mowers, Hay Rakes, Self Binders or Furniture it always pays to consult The Price Fighter.

THE DEERING is a safe line to hitch to. In buying a Self Binder one should study the matter carefully and select the best machine. Any make of binder will cut wheat, but there is one machine that will cut wheat, rye, oats, barley, millet, bluegrass, timothy, etc. Standing up or laying down flat, long or short, heavy or thin, on level, rolling or hillyside as steep as a roof. This machine is the Deering. Condition of grain or land makes no difference to this matchless binder. Get your money's worth and

## BUY A DEERING

Deering Machines have roller and ball bearings both, and in that respect is the only machine of the kind made. Its draft is the lightest of any now on the market. Remember, Deering made the first twine binder. Deering first used ball and roller bearings. Surely you won't buy a cheap imitation. Take a business view of the matter. Don't buy an experiment when you can take advantage of Deering's 22 years experience. They made the first Twine Binder, have spent a lifetime in improving it and today offer you the result of their labors at the same price that other companies wish to charge you for experiments. Don't buy a cheap experiment, but buy a perfected Deering Binder, Mower or Hay Rake. They have made all your neighbors happy, as nearly 1,000 testimonials that we hold of residents of Mason, Bracken and Robertson distinctly state. We will be pleased to show you these testimonials. Come and see Deering's wonderful line of prize winning machines.

## WEDNESDAY, JUNE 1st, 1898,

## THIS YEAR'S GRAND PICNIC and DELIVERY DAY.

Upon this day all who have this year purchased a Deering Machine are expected to spend the day in Maysville and thoroughly enjoy themselves at John I. Winter's expense. We trust that all our customers will take advantage of this day to haul out their machines, for on this day we will pay all toll coming and going and care for man and beast the entire day. There will be plenty to eat for man and beast. Your entertainment the entire day will be with our compliments and at our expense. I trust that all of our customers will take advantage of this day to haul out their machines. Get in the procession just behind the band and help us to have a good time. Oh, yes; the band will be there! Remember, the date of this year's Picnic, Delivery Day and Banquet is Wednesday, June 1st, 1898. All of this year's purchasers of Deering Machines are expected.

JOHN I. WINTER, MAYSVILLE, KY.

## The PRICE FIGHTER

Spain sues for peace. We have not interfered in the campaign of robbery that has been going on under our very noses in China. We have suffered more indignities from Spain than any civilized Nation of Europe would have endured. Spain has finally been called to account. There is no ocean wide enough, or any Nation powerful enough, to save her from the wrath to come.

Germany and France both belittle England's power as a sympathetic neutral. Let them remember that the British Empire is fifty-two times the size of the former and fifty-three times the size of the latter. If an Anglo-Saxon alliance becomes a reality it will be because of the impudence of snarling France, the oldest creditor of Spain, and of Germany, whose recent commercial prosperity and grandiloquent Emperor have destroyed her sense of proportion.

The Cuban question and political issues sink into insignificance with the man who suffers from piles. What he most desires, is relief. DeWitt's Witch Hazel Salve cures piles. Henry W. Ray, adjoining Postoffice.

The Pastor's Union of this city will meet on Monday afternoon at 3 o'clock in the study of Rev. J. S. Hays of the First Presbyterian Church.

Lewis Stoneking, a veteran of the Union Army, was married to his eighth wife at Morgantown, W. Va. Four of the former are dead and divorce laws separated him from the other three.

David Pike, an aged citizen at Lafayette, Ind., arose in the middle of the night to procure some medicine. He seized the wrong bottle, containing carbolic acid, and died a few hours later.

The reader of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,
